GROWING CLOSER TO GOD BY OVERCOMING ANXIETY

▶ What's God's track record?

Genesis 16:4-31

- God _____ gave over 1 million people their daily bread, as well as meat to eat for forty straight years.
- God says, "Don't _____," He's not saying, "Don't _____!" God's call to trust Him is not an invitation to just be lazy.

- God wants us to learn to look to Him and trust Him _____ of our lives.

"Don't be anxious about tomorrow. God will take care of your tomorrow too. Live one day at a time." Matthew 6:34 (LB)

God will take care of your _____ .

"Each day has enough trouble of its own!" Matthew 6:44 (NIV)

- Maybe you ought to give Him a chance to _____ before you go out and buy it.
- Maybe you ought to _____ before you pay for it.

Having A Plan to Overcome Anxieties

1. Start a _____ !

6 Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. 7 And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Philippians 4:6-7

2. _____ on an Attitude of Gratitude!
give thanks in all circumstances; for this is God's will for you in Christ Jesus. 1 Thessalonians 5:18

3. _____ to borrow trouble from Tomorrow!
“... *God will take care of your tomorrow too.*”
Matthew 6:34 (LB)

4. _____ only on living Today!
“... *Live one day at a time.*” Matthew 6:34 (LB)

DISCUSSION QUESTIONS

1. **To start off by getting real** about the level of charge in our spiritual batteries right now. The gauge is simple: We are going to base it on daily bible reading. A full battery is a 7, an empty battery is zero. Shade in the chart in your booklet according to how many days you've read the bible in the last 7.

If you're 0-3, Empty to Low try to discern what lies and or preoccupations Satan is feeding you to keep you from God's book?

If you are in the 4-6, Medium to High range what one or two simple changes could you make in habits or schedule to consistently help bring your faith to a full daily charge?

2. When I worry, I tend to worry most about ...

- My future
- My Past
- My Present

3. The categories I find myself worry/anxious about most often are ...

- Money
- Marriage/Family
- Relationships
- Work
- Health
- Church
- World Events (terrorism, social changes, moral changes, end times)
- Other

APPLICATION

STOP & PRAY | Create a Petition

Take the thing that you most often find yourself worrying or anxious about and describe it in a written statement (one or two paragraphs). Read it to your partner, ask them if it is clear?

- **Practicing Gratitude!** Confess as many things as you can think of to be thankful for that worry/anxiety.

- **Practice Forgetting The Future!** What is coming up in your life over the next days, weeks, or months that you are finding yourself anxious/worried about? You've heard of name it and claim it. We are going to Name it and Release it! Ask God to forgive you for taking control and worrying rather than giving up control to Him. Tell Him you know He's got your back and that He will help you face whatever it is, when it comes.

- **Practicing Living One Day at a Time!** The simplest way to do this is to stay focused on answering these three questions:

1. What do I need God to help me with Today?

2. What do I need to ask Forgiveness for Today?

3. Who do I need to Forgive Today?
